

CAMP SLOGGETT

An ideal place for everything from an adventurous weekend in the woods, to a memorable family reunion or week-long company incentive retreat.

Located in beautiful Koke'e State Park, Camp Sloggett is a rustic and peaceful spot that offers hiking trails, streams, rare vegetation, and wildlife. The Lodge was built in 1925 by Henry and Etta Sloggett as a family retreat. The Sloggett children generously donated the buildings and leasehold to YWCA Kaua'i in 1938. In 1993, the Lodge was put on the Register of National Historic Sites.

The camp continues to be the first choice of many local, state, mainland, and international groups that provide youth and family, church, school, and community retreats and programming.

"I stayed at Camp Sloggett recently as part of a group meditation retreat. I just wanted to thank you for keeping this camp going and in good shape. I've stayed here a number of times over the years and always enjoyed the beauty and peace there."
